

ECP4 PRIVACY POLICY

WWW.ECP-4.COM

ECP4, The European Composites, Plastics, and Polymer Processing Platform is an industry-driven collaboration that unites members from 15 countries amongst the top-level European research institutions, regional plastic clusters, and EU-level industrial organisations of plastics and composites converters.

ECP4 brings innovation partners together to identify opportunities for collaborative Research and Development efforts that yield industrial innovation.

The objectives of the platform are:

- To provide networking and collaboration among research institutions and the industry.
- To facilitate the access of the European plastics industry to EU research programs, thus enabling SMEs to innovate, gain competitiveness and fulfil sustainable goals.
- To communicate new technologies and their relevance for the plastics converters and the composites industry.

A. PURPOSE AND LEGAL BASIS OF THE PROCESSING OF PERSONAL DATA

In accordance with the provisions of Regulation (EU) 2016/679, of 27 April (General Data Protection Regulation - GDPR), the personal data we request is that necessary to carry out the objectives and activities of the association.

Processing shall be carried out under the legal bases provided for in Article 6.1 of the GDPR. You have the right to withdraw your consent at any time (see Your Rights hereunder).

1. When you subscribe to our newsletter:
